# VILLAGE HILL

NURSERY

1960

CATALOG of PERENNIALS, HERBS and GERANIUMS

Telephone COlony 8-4371

#### To our Friends:

We would like to thank all of our old and new customers for making the past year a very gratifying one. It has been a real pleasure to meet so many of you again personally.

The plants listed herein represent most of our perennials suitable for shipment. Annuals can be shipped only during May and June, after which time they are too large for satisfactory planting. Space does not permit the listing of our entire nursery of unusual and rare perennials, some in short supply, and we invite your inquiry for items you desire which are not shown.

Plants shipped are not usually mature specimens. A variety of sizes can be furnished at proportional prices. Prices are subject to change without notice. Due to certain commitments mail orders cannot be shipped until after April 15th. We ship only healthy, vigorous plants, correctly labeled to the best of our knowledge. We do not assume responsibility for damage to plants in transit, or for customers' subsequent failure with plants due to weather, adverse soil conditions or improper handling. We gladly rectify mistakes for which we are responsible if reported within a week of shipping.

We ship by parcel post, special handling. We do not pay postage and there is a small charge for packing.

Terms: We do a strictly cash business. A minimum of three plants to an order, and \$1 should be added for mailing three to six plants; over six plants \$1.50. Any credit due will be promptly refunded.

```
For 60 \phi plants - Three of one variety $1.70  
" 75 \phi " - " " " " $2.10  
" 90 \phi " - " " " " $2.50  
" 1.00 " - " " " " $2.80
```

Our nursery and greenhouses are open every day. A small gift shop includes herb charts, an excellent book on herbs, bee skeps, and Spice Island spices and dried herbs, vinegars and spice racks. Our own herb card file of culinary herbs has proven of real value to herb gardeners - \$1.25 postpaid.

Williamsburg is situated eight miles from Northampton on the Berkshire Trail on Route 9. Turn right off Route 9, cross the cement bridge, turn immediately left and proceed to the top of Village Hill. There are signs in Williamsburg for your help.

Richard and Edith Williams

February, 1960

Fresh herbs have been used for many centuries and present-day cooks are getting acquainted once again with the fine art of cooking with herbs. They are not solely for the use by gourmets, but all of us enjoy that added goodness that is gained by the use of herbs. Our Herb Card File contains information about how to grow and use 21 culinary herbs, teas, vinegars, seeds and the drying of herbs. (\$1.25 postpaid).
